REQUIREMENT RR/HTA/E/R14/57: Describe changes since World War II
in the Odessa Railroad Station and Yards, Main.

REMARKS:

The Odessa Railroad Station and Yards, Main, located in the east-central section of the city, serves as the primary passenger station for the Odessa area.

Due to cloud cover on the [REDACTED] photography it was possible to make a comparative study with [REDACTED] coverage on only the northern and southern edges of this installation. A new passenger station has been constructed in the northern section, and there are no apparent changes in the southern section.
